SNAIDERO USA CONFIRMED AS KITCHEN CABINET PROVIDER FOR RITZ CARLTON RESIDENCES IN SUNNY ISLES BEACH, FL

LOS ANGELES, CA, July 11, 2017 - Snaidero USA, the leader in North American imports of European kitchen cabinets, is set to supply the kitchens for the **212 units** of the Ritz Carlton Residences; a new Sunny Isles Beach, Miami project by **Fortune International Group and Château Group**.

The project – currently under construction – is the latest in a list of [over 170 luxury high-rises \(45,000+ units\) that Snaidero USA has furnished since 1992](#), **bringing the finest Italian design and craftsmanship all over North and Central America**. Of these projects, more than 55 are in Florida.

The kitchen model chosen for the Ritz Carlton Residences is [Snaidero LUX by Pietro Arosio](#). LUX's minimalist aesthetic is rich in details and [designed with respect for the environment](#) – qualities that mirror the concept for the **project's interiors, designed by Michele Bönan** and inspired by Monaco's elite Yacht Club. Playing with light and clean lines, LUX creates a kitchen space that offers an intelligent blend of function, emotion, and personality.

The **architecture** of the Ritz Carlton Residences follows a design **by** world-class architectural firm **Arquitectonica**: the curvilinear structure references the organic landscape of swaying dunes and ensures all homes are bathed in natural light and respect the basic principles of Feng Shui.

The tower will include cascading terraces with 360-degree views and penthouse gardens dissolving at the uppermost crest, creating a yacht-like silhouette.
