Snaidero USA Commissioned as the Kitchen & Bath Provider for Chicago's Wanda Vista Project

LOS ANGELES, CA--(Marketwired - May 11, 2016) - Snaidero USA will be the kitchen and bath cabinetry provider for Chicago's anticipated high-rise that will stand as the third tallest building in Chicago. The Wanda Vista building will be the epitome of luxury city living in the windy city, housing 406 units. The project is developed by the Chinese Wanda Group and Chicago-based Magellan Development Group and will comprise both large residential units and hotel rooms in a luxury 95-story tower that is poised to become a landmark of the Chicago skyline.

The expert teams from Studio Gang, bKL Architecture, and Hirsch Bedner Associates (HBA) designers selected Snaidero's WAY, a GOOD DESIGN™ Award-winning cabinetry line to complement the posh interiors of the Vista Residences. The building's design identifies architectural elegance and captures the essential beauty found in crystals, minerals and gems. The WAY model perfectly reflects and captures the natural beauty this space entertains. With its clean modern aesthetics, high-end functionality and subtle details, WAY is the quintessential expression of Made-in-Italy design and craftsmanship.
