Design Collaboratives

project Maya Romanoff Corporation, Chicago.

standout LED-backlit letters guide visitors from a Merchandise Mart corridor to this manufacturer's first showroom, with its pullout system for surface materials.

bestofyear MERIT SHOWROOM

Yalın Tan Jeyan Ülkü Interior Architecture

project Ersu, Istanbul.

standout A chipboard "box-in-box" area features printed photomural portraits of Paola De Francesco and João Ramos Silva, who designed the Fluido office system.

Giorgio Borroso Design

project Snaihero, New York.

standout What was once strictly a kitchen showroom has expanded, with the same abstracted geometric aesthetic, to present bathroom systems, closets, and interior doors.
