The Hottest Trends in Cool Kitchens

Cool stainless steel juxtaposed against warm wood, blended with highly polished surfaces and accentuated by clean lines defines the hottest trend in modern kitchen design. These high-tech kitchens also feature highly sophisticated hardware and accessories.

Armstrong's new Leighton™ maple cabinetry, shown in vanilla, is offered in numerous colors and glazes. Available at Gabco Remodeling, Inc. in West Palm Beach.

Snaidero's new Kube kitchen by Giovanni Offredi Design shown in elm wood and ice white lacquer. Available at Snaidero USA Miami in Coral Gables and Snaidero USA Fort Lauderdale in Hollywood.

Ornare Vanilla incorporates wood, glass, lacquer and stainless steel as well as high-tech storage solutions. Available at Ornare Miami in the Miami Design District.
