... Night Eucalyptus is designed for homes with a minimalist but highly architectural feel; spaces where simple lines deliver a stunning backdrop for a carefully curated selection of materials and collector's items.

### HEARTWOOD

The innermost, supporting part of the tree and the perfect choice for the heart of your home.

photo courtesy of Snaidero USA

**H01 Heartwood** is an eco-friendly selection that is more resistant, more durable, and less permeable than other types of wood.

### FUMÉ EUCALYPTUS

E06 | E06 ELEGANTE Bespoke kitchen | Fumé Eucalyptus | photo courtesy of Snaidero USA

Fumé Eucalyptus: Rich texture, exotic feel, and exclusivity for your modern luxury kitchen and bath.

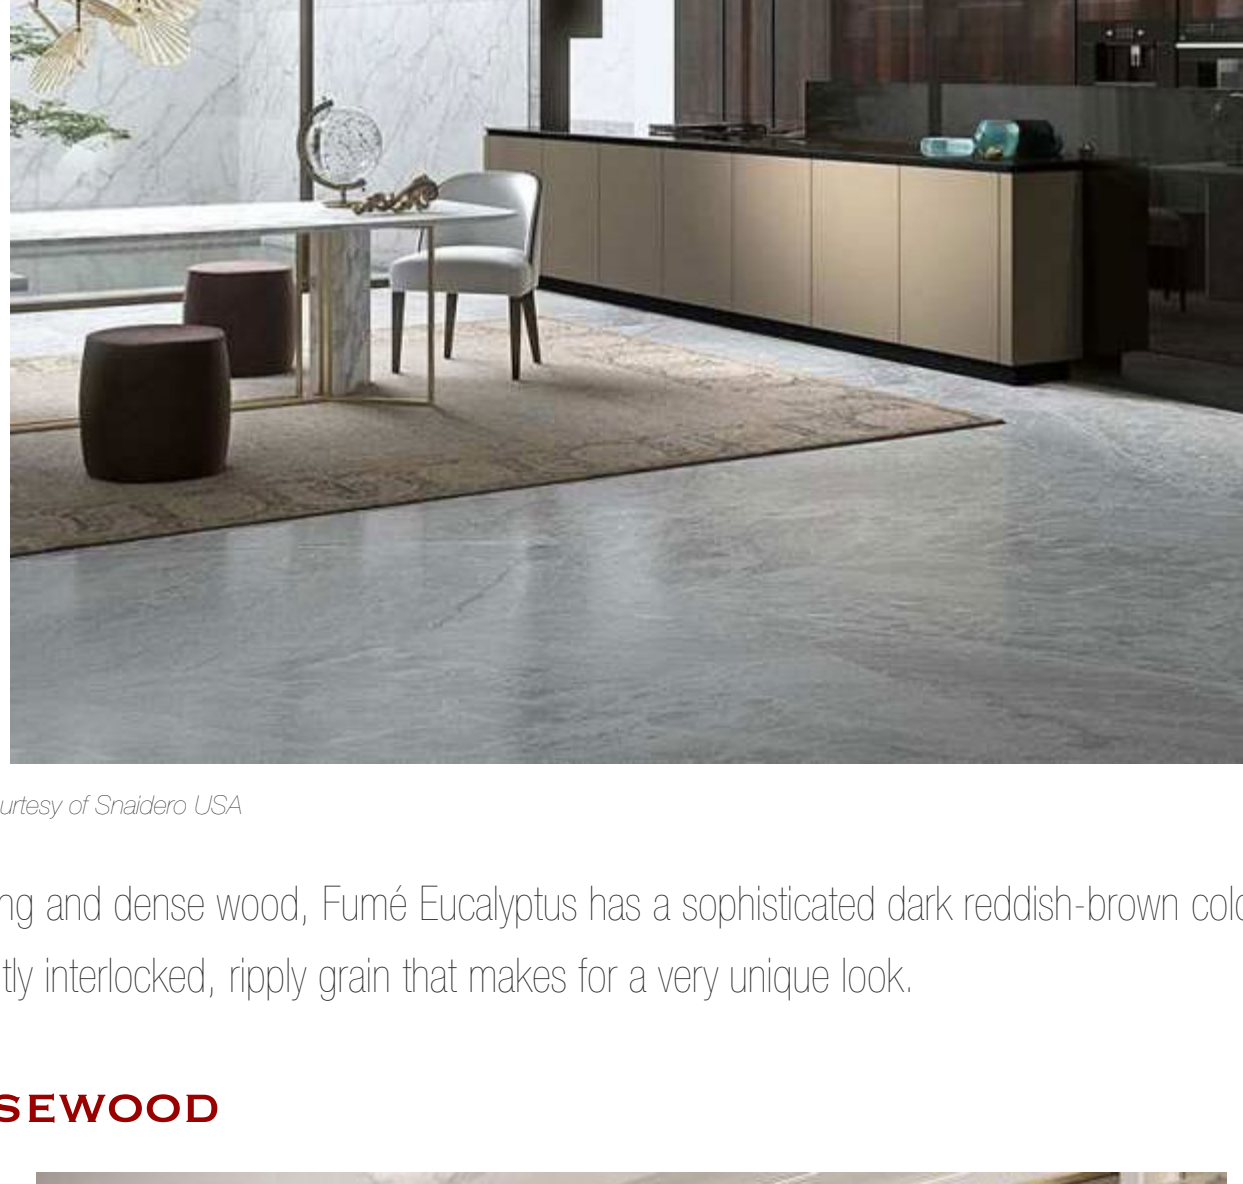

photo courtesy of Snaidero USA

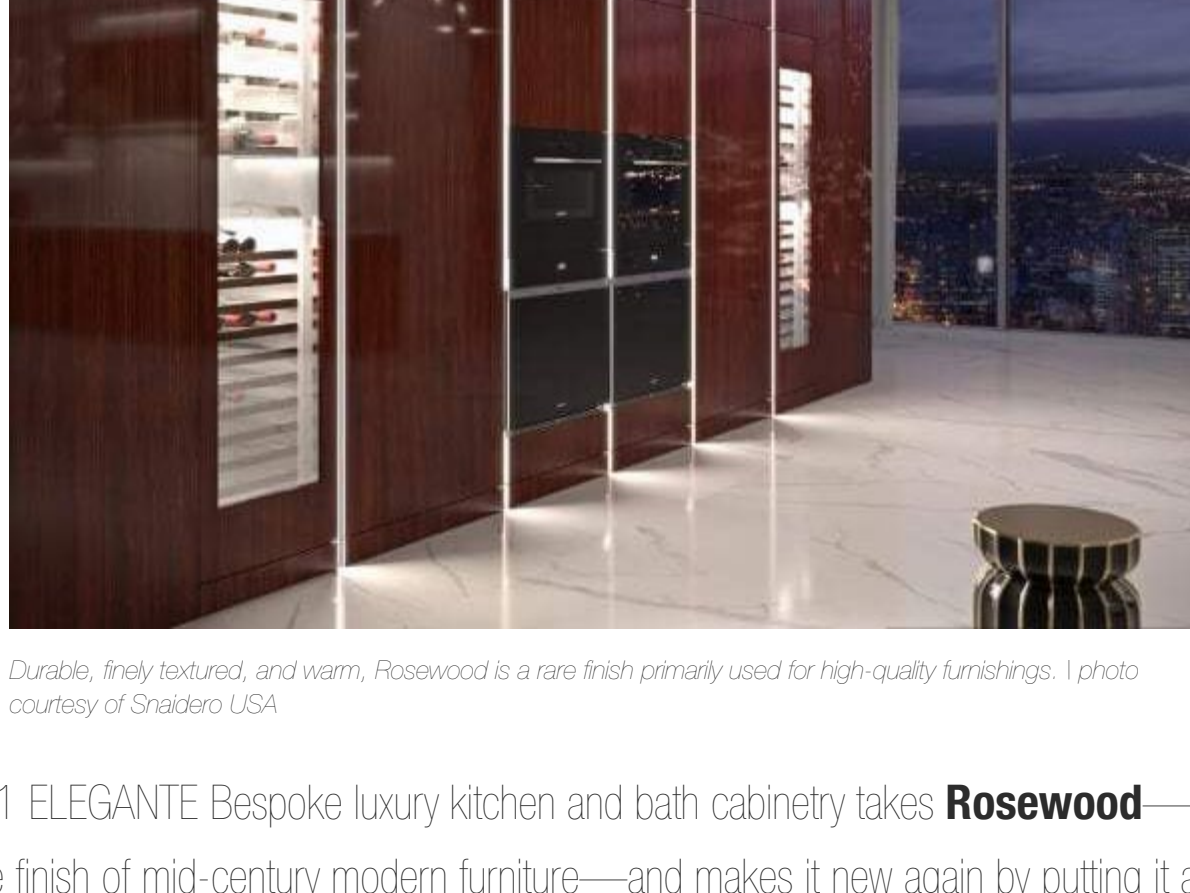

A strong and dense wood, Fumé Eucalyptus has a sophisticated dark reddish-brown colour and a slightly interlocked, ripply grain that makes for a very unique look.

### ROSEWOOD

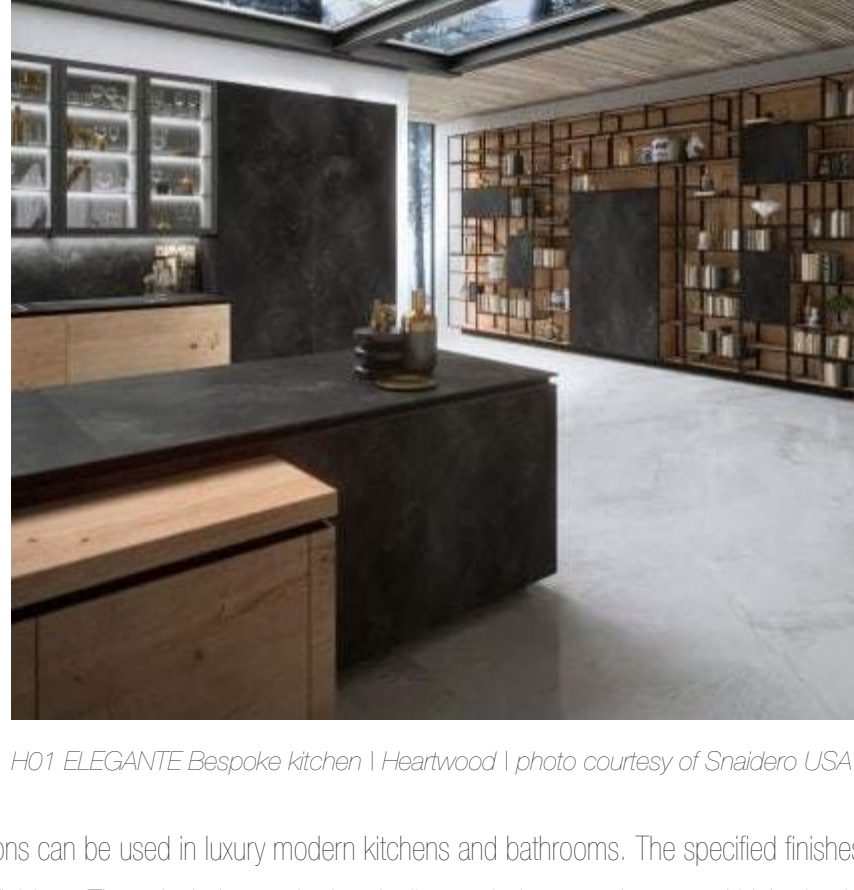

The R01 ELEGANTE Bespoke luxury kitchen | Rosewood | photo courtesy of Snaidero USA

Rosewood: An ode to the past, fitting stunningly in sophisticated modern spaces...for interiors that are pure mood.

Durable, finely textured, and warm, Rosewood is a rare finish primarily used for high-quality furnishings. | photo courtesy of Snaidero USA

The R01 ELEGANTE Bespoke luxury kitchen and bath cabinetry takes **Rosewood**—a favourite finish of mid-century modern furniture—and makes it new again by putting it at the heart of contemporary design.

Each of the palette collections can be used in luxury modern kitchens and bathrooms. The specified finishes can be enhanced with other complementary finishes. These include standard and tailor-made lacquers (matte and high gloss), high gloss metallic lacquers, mica-based lacquers, glass (matte and bright), stainless steel, ceramics, melamine, and high gloss laminate.
