12 HANSGROHE TALIS SELECT HIGHARC KITCHEN FAUCET
This faucet features a distinctive conical body and a sculptural handle for added freedom of movement. For easy operation, users can engage the select button with the back of the wrist or elbow. The swivel spout has a 150-degree range and can be turned in any direction, making it ideal for double sinks. hangrohe-usa.com

13 CAESARSTONE TRANSFORM QUARTZ SURFACE
This 0.51-inch quartz overlay (White Attica shown) allows homeowners to upgrade their home surfaces by simply fitting it over existing ones. It is low-maintenance and scratch-, stain-, and heat-resistant. caesarstoneus.com

14 FISHER & PAYKEL DISHDRAWER DISHWASHER
The latest model of this dishwasher is quieter and more energy- and water-efficient than ever, and is Energy Star certified. Some models incorporate clever features such as flexible stacking and sanitize mode. fisherpaykel.com

15 HÄFELE FREE FOLD E-DRIVE
These compact yet highly functional fittings motorize the movement of flaps or surfaces being lifted, tilted, swiveled, or folded—so hard-to-reach doors and drawers can be automated, while conserving critical space. hafele.us

16 SNAIDERO LOOK KITCHEN
With this collection, designer Michele Marcon set out to prove that minimal kitchens needn't be cold or boring. The highlight of the line is a customizable wooden work top (shown here) that can be used as an island or extended counter. snaidero-usa.com
