PRODUCT NEWS

ELEGANTE Bespoke Collection Expands with RIQUADRO Luxury Storage System

Part of the [ELEGANTE Bespoke Cabinetry Collection](#), RIQUADRO is the first free-standing furniture design in Snaidero USA's product offering.

With [RIQUADRO](#), interior designers, architects, and their clients can configure **modern sideboards, highboards, and storage units** that have at once a very delicate look and an undeniable architectural presence. Every unit can be customized using a combination of precious materials: glass, marble, ceramic, lacquer, brushed anodized aluminum, and exclusive woods.

Frame: Black brushed anodized aluminum. Top and internal base: ELEGANTE Bespoke Heartwood. Doors and sides: clear Extralight tempered glass.

All made in Italy, RIQUADRO marks the first design collaboration between Snaidero USA and [Italian architect Mario Mazzer](#), whose body of work includes numerous prestigious international prizes like the Good Design Award and the Red Dot Design Award, as well as the inclusion in the MoMA's "Design Encyclopedia" (2004).

RIQUADRO is available only in the Americas through [the Snaidero USA retail network](#).

Frame: Titanium brushed anodized aluminum. Top and internal base: matte ELEGANTE Bespoke Night Eucalyptus wood. Doors and sides: clear Extralight tempered glass.

MULTI-HOUSING NEWS

Snaidero USA To Provide Cabinetry for Residential Projects in Virginia and New Jersey

Snaidero [CODE cabinetry](#) has been selected for two new East Coast multi-housing projects.

Working in partnership with [Studio Snaidero DC Metro](#), Snaidero USA is installing **kitchens and hanging vanities in the 26 townhomes** that are part of the **Robinson Landing** development by EYA, LLC in Old Town Alexandria, VA.

The waterfront project is building an entire walkable neighborhood, inclusive of fine dining, retail shops, a public promenade, a pier, and landscaped green spaces. All with the vision of offering a luxury community built around the beautiful Potomac River, where everything you need is at your fingertips.

Project architect: KTGy. Interior architecture and furnishings: KCCT

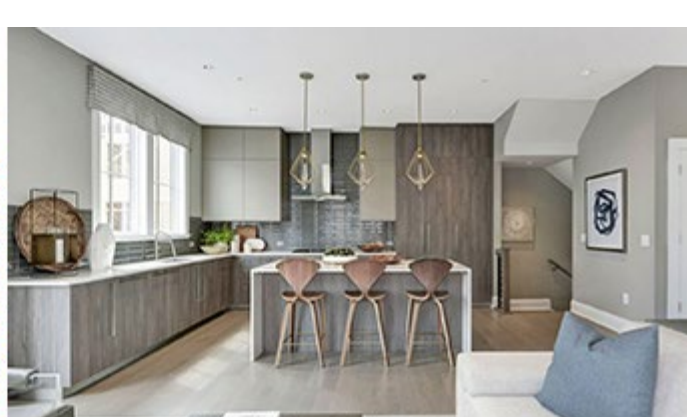

Photo by Thomas Arledge

CODE kitchens will also be part of the **47 residences of South Beach at Long Branch**, a new development at one of the most enviable locations on the Jersey Shore.

The units of the two stylish glass towers will include exquisite details and panoramic view of the Atlantic Ocean on three sides. Developer: FEM South Beach Urban Renewal. Design architect: Monteforte Architectural Studios. Interior design: Interiors By Steven G.
