New: R01 ELEGANTE Bespoke Rosewood Cabinetry by Snaidero USA

The **R01 ELEGANTE Bespoke** cabinetry for kitchens and baths takes Rosewood – a favorite finish of mid-century modern furniture – and makes it new again by putting it at the heart of a contemporary design.

Durable, finely textured, and warm, **Rosewood is an ode to the past that fits stunningly in sophisticated modern spaces**...for interiors that are pure mood.

R01 ELEGANTE Bespoke in Rosewood, Calacatta marble, and Arctic white lacquer
