Kitchen becomes an Entertainment Hub of a Custom Arizona Home

Kitchen Design: Reba Sams, [LA Flagship Showroom](#) | **Architect:** Drewett Works
Interior Design: Holly Wright Design | **Build:** BedBrock Developers

This modern, 400 sq.ft. **Snaidero WAY kitchen** was designed to blend seamlessly with the architecture and interior of a custom residence in Paradise Valley, AZ.

The L-shaped layout with the island and large peninsula table opens up to the living room ahead and the dining area and outdoor patio to the side. This lets the kitchen enjoy the expansive view, making it the entertainment hub of the house.

The **Night Walnut**, **Champagne mica lacquer**, and **Black glass** finishes live in harmony with the interior palette. The Night Walnut was used to panel the wall and surround the custom wine cellar to be integrated aesthetically into the rest of the kitchen.

Countertops and backsplash: THAJMAHAL QUARZITE by Arizona Tile
