3 Artematica

At 14 cm thick, the Artematica worktop lends a substantial look to the home kitchen. An integrated sink gives the system a seamless aesthetic, and a built-in single-door pantry opens and closes with a gentle touch.

Materials: Stainless steel, brass, glass, stone, wood and more

Designer: Gabriele Centazzo

Manufacturer: Valcucine, valcucine.com

4 Prime

A recessed ledge runs beneath the countertop of Prime, while hardware-free drawer fronts and cabinet doors taper at a 45-degree angle to combine a cohesive look with easy, ergonomic openings. LEDs can be added to the wall storage to provide multiple combinations of task and ambient lighting.

Materials: Multiple, including aluminum, wood, stone and glass

Manufacturer: Dada, dada-kitchens.com

5 Elegante Bespoke

Emphasizing quality materials, this system is available in eight wood finishes, including rosewood, heartwood and eucalyptus, and can be combined with ceramics, metallics and glass.

Elements like open shelving, cabinet doors and pantries can be mixed and matched from multiple series under the Italian brand's umbrella.

Materials: Multiple wood finishes

Manufacturer: Snidero USA, snidero-usa.com
