**THE PARTY** Ciao Bella! Guests celebrated Studio Snaidero DC Metro's official grand studio opening in true Italian style. The gorgeous showroom, just named "Showroom of the Year" by Kitchen & Bath Business, welcomed clients, friends and family to their slice of Italian heaven in Alexandria for an evening of all things Italy. Prosecco flowed, Balvenie Scotch was sipped and delicious bites prepared by Casa Luca were enjoyed. Highlights of the menu were the herbed ricotta cheese puffs and skewered heirloom melon wrapped in Bev's Vamon prosciutto. The specialty cocktail of the evening, the Ola-lini, was concocted with prosecco, muddled raspberries and prickly pear liqueur from Don Ciccio and Figli. Italians know their gelato too - Dolci Gelati supplied gelato in stracciatella, nutella, and mint chocolate chip or sorbetto in peach and raspberry. We'll have one of each, please!

**THE PEOPLE** Snaidero President and CEO Dario Snaidero joined guests to celebrate the grand opening of the new space.

**BEST IN SHOW** What a showroom! Guests mingled throughout the gorgeous showroom dreaming up their next kitchen remodel while DJ Heather Femia kept the evening flowing with her beats. On the street in front of either side of the showroom, Ferraris with sleek curves and open tops titillated spectators who wished that the Italian-made cars were their ride home at the end of the night. Cheers to a fabulous new showroom in the city!
