

# AD's 2019 Great Design Awards: Kitchens

AD rounds up the best new products, from top appliances to dreamy tile to fixtures to suit every taste

October 15, 2019

Craving a kitchen full of flavor? AD's got you covered. Our 2019 Great Design Awards round up the best new products, from top appliances to dreamy tile to fixtures to suit every taste. (In other words, all the key ingredients.) But whether you're an urban traditionalist or a country minimalist, the same rules apply: Go with your gut, delight in the details, and most important, be bold. After all, as the old adage goes, if you can't stand the heat, get out of the kitchen...

## All Systems Go

Today's most innovative kitchen concepts deliver the complete package.
