

Dear Snaidero USA Team,

With great sadness we are announcing that on June 9th 2021, our North America Network suffered a terrible loss.

Michael Glasser, our long-time friend and dealer in San Francisco's Bay Area, passed away unexpectedly.

We will always remember him for his positivity and dedication to his work, and he'll be greatly missed by all of us.

Our most heartfelt condolences go to his family during this difficult time.
