## Snaidero USA To Provide Kitchens and Baths for Belgravia's Renelle On The River in Chicago

Thanks to the work of our partners at Studio Snaidero Chicago, Snaidero USA continues to bring the Made-in-Italy to the city's finest luxury residential projects. The latest is **Renelle On The River**, **Belgravia Group's high rise featuring three- and four-bedroom condos by the Chicago River**, in the heart of downtown.

Snaidero USA will supply **45 CODE kitchens** in textured wood melamine and high gloss laminate, plus an additional **165 bathroom units**, also using CODE cabinetry.

The project's name comes from the word "runnel" – a delicate stream – to echo the fluidity and refinement of the building's architecture and the fabulous views of the river the residences enjoy.
